PRICE INCREASES.

Dear customer,

Given the current market conditions we know how important it is that you are provided with advance notice of any significant price changes. We are therefore advising you of some price increases on products that you have purchased previously. The below increases will come into effect on August 1st 2021.

Product Category	Price Increase
Roofing	8%
Veneer Flush Doors	8 - 13%
Doors	15 - 25%
Drainage	2.5%
Builders Metalwork	6 - 18%
Small Mouldings	13%

Please note, the above increases do not apply to all products within the categories and only highlight the most relevant price increases.

Why we're raising our prices. The market as a whole is currently being affected by the ongoing increased costs of a number of things including but not limited to; raw material costs, importing finished goods, packing, implementing new safety measures and operating costs.

The suppliers of the price increases above have noted a significant reduction in the availability of the raw materials used in the manufacture of their goods which has in turn, increased the costs they are paying for production. There are also ongoing problems with the availability of haulage and other transport which has increased the cost of moving these goods globally.

Keeping up to date. To keep up to date with any other price increases and product availability, please visit our dedicated supplier updates page here: www.jewson.co.uk/supplier-updates

If you'd like to talk to us about anything we've included within this letter, please get in touch with your local branch.

We look forward to continuing to work with you.

Yours Sincerely,

Jewson
